In the third Plenary meeting for the G20 Global Partnership for Financial Inclusion (GPFi) under the Saudi G20 Presidency, GPFi members will be updated on the GPFi's achieved work in 2020, including the Saudi Presidency's priority deliverable, "G20 High-Level Policy Guidelines on Digital Financial Inclusion for Youth, Women, and SMEs," which was endorsed in July by FMCBGs.

In addition, GPFi members will be provided with an overview of the G20 Financial Inclusion Action Plan Progress Report 2017-2020; the finalized 2020 Financial Inclusion Action Plan (FIAP), which reflects the future work of the GPFi for the next three years; and the 2020 Terms of Reference (ToR), which is the last milestone that marks the completion of GPFi's work program and structure on streamlining "A Roadmap to 2020" that was mandated by leaders in 2018.

Furthermore, GPFi members will also be updated by the upcoming Italian Presidency on the 2021 preliminary priorities, and by the newly selected upcoming co-chairs on the 2021 annual work plan.
